

Voice of the People – Making a change

Key Vocabulary:

human rights, fairness, change, significance, education, racism, peace, conflict, protest, opinion, equality.

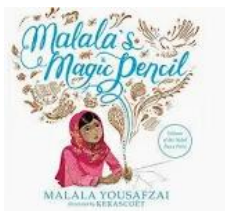

People we will learn about:

Malala Yousafzai

Malala Yousafzai is a young Pakistani activist. In 2008 she began to protest the closing of girls' schools in her area. In 2012 she was shot as a result of her protests by men who did not agree with her views. Malala survived and spoke all over the world about the importance of the education of girls.

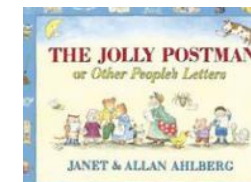

Rosa Parks

In 1950s America black people were treated unfairly. One person who tried to change this was Rosa Parks. On December 1, 1955, Rosa Parks was tired of having to give up her bus seat and she said “no” to a white person. This started the Montgomery Bus Boycott and contributed to the change in rights for black people in America.
