**E**ducation is important for all.

**A**round the world, we all deserve these rights.

**R**ights are to be respected.

**A**dvocates for children's rights.

**By Zoe.**

Education and equality are important for everyone in the world.

A voice matters, no matter who you are.

Rights for everyone, and can't be taken away.

All around everyone, our aim is to help everybody.

By Nakshatra.

*Equality matters.*

*Around our school, rights matter.*

*Rights matter.*

*Around the world, rights matter.*
