- What are the roles and responsibilities of the School Council? Children shared their ideas.
 - To be a spokesperson for the class
 - Every class has different opinions
 - To let the class know what's going on
 - To be responsible and respectful
 - Listen to the views of the other children
- Badges distributed and a reminder that they need to look after them carefully, for example if they take them off their jumpers when they are to be washed.
- Mrs Hewitt explained that sometimes there would be things that the children need to take back to do with their class, and report back to the group at the next meeting.
- Key Questions today:

How has it been coming back to school after lockdown?

Lot different – can't touch people -it feels weird.

Hard out and about but school is kind of the same.

Washing hands all the time – different but doesn't matter

Good to come back to see friends

Good to come back to school to see everyone.

Teachers are making sure we are safe.

What do you think about how the school has adapted procedures?

Yes everyone feels safe – clear one way system, washing hands, no crowds, the teachers keep reminding us to keep away from each other and things.

Break time year 5/6 have to go on the smaller playground

Could anything be done better?

Remind parents to keep apart from the gate and keep letting their younger children run around.

Lines get a bit close sometimes but we don't mix with another class.

Bubbles mix when coming in at the start of the day but not in the school building.

How was home learning when you were off school?

Home learning was good there were some things we could do independently and so I needed help with.

I liked my mum and dad being teachers.

It wasn't too much

It was good but would have been better to have the teacher to do the explaining.

What do you think about Google Classroom?

Good – could access it all.

Is work easier or harder on paper or screen? On screen is fine.

It was ok.

Children to take these questions back to class to get responses from their class and then will report back to CH.

- Meeting closed at 2pm. Next meeting to be after half-term.
