What is the Early Years Foundation Stage?

- The Early Years Foundation Stage are the stages of education for children from birth to the end of the reception year.
- It is based on the recognition that children learn best through play and active learning.

Creating and Thinking Critically Thinking

Within the theme of Learning and Development there are seven areas. All areas are connected to one another and are equally important.

1. Personal, Social and Emotional Development
2. Communication and Language
3. Physical Development
4. Literacy
5. Mathematics
6. Understanding the World
7. Expressive Arts and Design

Personal, Social and Emotional Development

Being confident to speak to others about own needs, opinions and interests.

Initiating conversations.

Playing in a group and elaborating on ideas.

Being aware of boundaries and behavioural expectations within the setting.

Being confident to try new activities and show independence, resilience and perseverance in the face of a challenge.

Managing their own basic hygiene and personal needs, including dressing, going to the toilet and understanding the importance of healthy food choices.

Communication and Language

Listening and responding to others.

Talking about why things may happen.

Asking questions to deepen their own knowledge.

Responding to instructions.

Expressing their own ideas and feelings about their experiences.

Physical Development

Experimenting different ways of moving.

Holding a pencil effectively in preparation for fluent writing.

Using a range of small tools, including scissors, paintbrushes and cutlery.

Negotiating space.

Demonstrating balance and coordination.

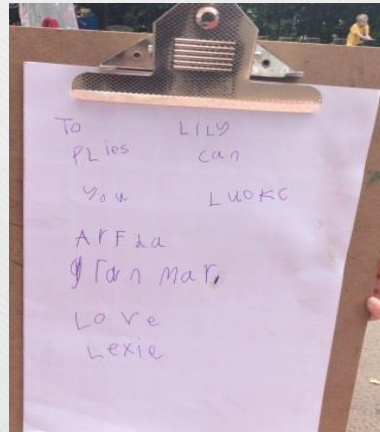

Literacy

Reading

Beginning to read words and sentences.

Enjoying a range of books.

Retelling and sharing favourite stories with friends.

Writing

Writing recognisable letters.

Writing meaningful sentences.

Spelling words by identifying sounds in them and representing the sounds with a letter or letters.

Mathematics

Having a deep understanding of number to 10, including the composition of each number.

Exploring and representing patterns within numbers up to 10, including evens and odds, double facts and how quantities can be distributed equally.

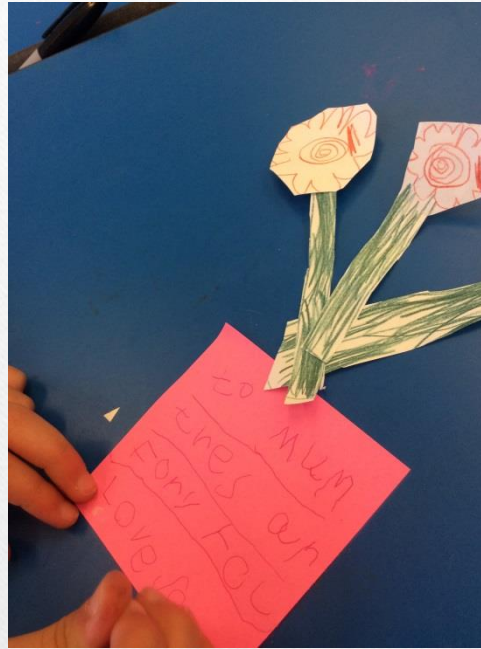

Verbally counting beyond 20, recognising the pattern of the counting system.

Understanding of the World

Talking about special events for family and friends.

Enjoying joining in with family customs and routines.

Showing care and concern about the environment.

Understanding the past through settings, characters and events encountered in books read in class and storytelling.

Exploring the natural world around them, making observations and drawing pictures of animals and plants.

Expressive Arts and Design

Safely using and exploring a variety of materials, tools and techniques, experimenting with colour, design, texture, form and function.

Sharing their creations, explaining the process they have used.

Singing a range of well-known nursery rhymes and songs.

Performing songs, rhymes, poems and stories with others.

Hamble Curriculum Threads

[Curriculum Threads.pdf](#)

This overview demonstrates our commitment to a recursive curriculum, in which key knowledge is built on throughout a child's time at Hamble Primary. There are some key threads woven through our curriculum which have been deliberately selected based on our school aims and values and the geographical location of the school. Our key threads are: democracy, equality, and environment and sustainability. We have also chosen to study places that are located near to a river, to link with our own location on the River Hamble.

A Day in Year R at Hamble Primary School...

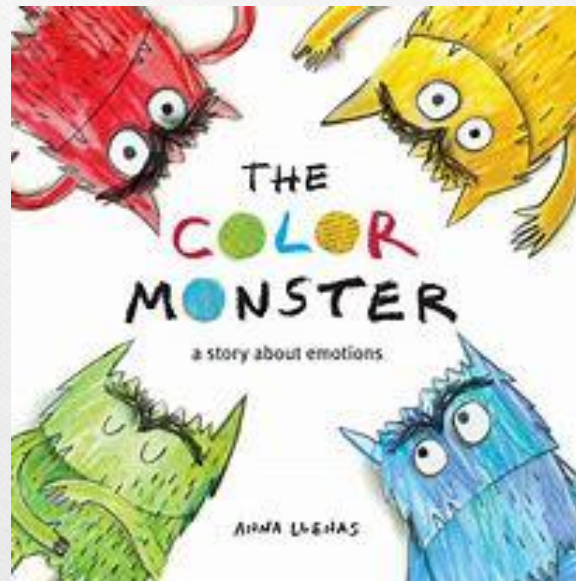

Early Morning Activities

When the children arrive in school they will put their things away and then have the opportunity to explore a range of activities.

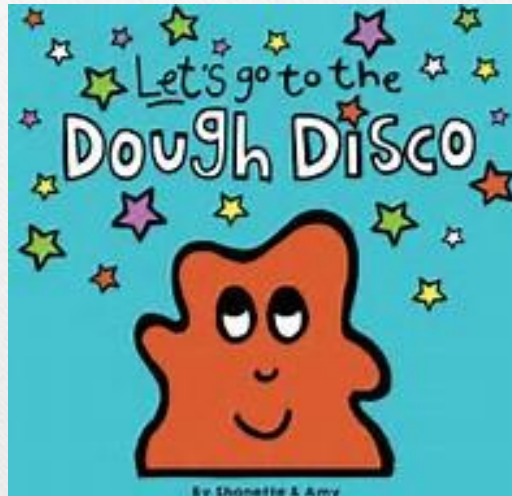

Talk Time

We have dedicated times for the children to simply talk as a group, share ideas, feelings and any news.

Funky Fingers

In Funky Fingers, we provide opportunities for the children to develop their gross and fine motor skills in preparation to become fluent writers.

Maths Meeting

Numberblocks
Series 1, Episode 3: Two

Recognition of numbers.

Children learning and remember numbers by sight.

Children interacting and supporting each other by playing games.

Phonics

Phonics is the recommended strategy through which children should be taught to learn to read.

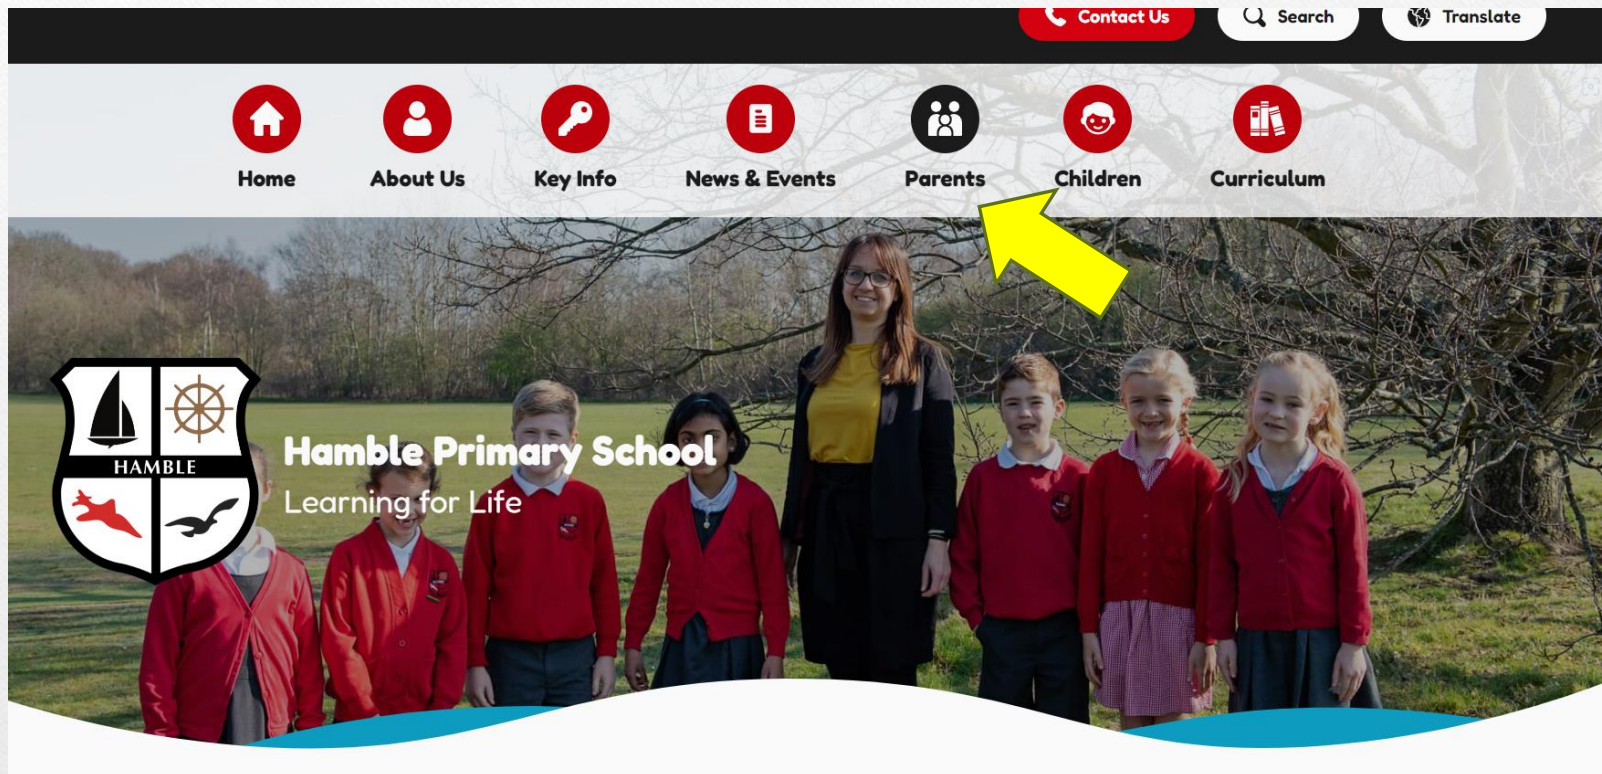

As a school we use the complete phonics programme Little Wandle Letters and Sounds Revised.

To help establish a love of reading:

- whole class reading sessions
- sharing stories

School Readiness : Hampshire Healthy Families

Southern Health NHS Foundation Trust and Barnados are working together to deliver the Healthy Child Programme throughout Hampshire. This website provides details for access to health visiting and school nursing services, workshops for healthy eating and support with post-natal

www.hampshirehealthyfamilies.org.uk

Barnados have been commissioned to provide the school nursing service. They have three support options that are available to parents to explore 'School readiness'

- A pre-recorded, non-interactive Webinar that parents can watch in their own time
- A one off, interactive "School Readiness" Workshop lasting 1½ hours which is bookable through Eventbrite
- A "School Readiness" Course, comprising of 4 weekly sessions, each lasting 1½ hours. Again, this is bookable through Eventbrite.

All these options are free and can be accessed via the Hampshire Healthy Families Website at <https://www.hampshirehealthyfamilies.org.uk/school-readiness>

Thank you!
