

Hamble Primary School EYFS Curriculum Aspirations

Children will be able use story language to collaborate with peers to make up stories, and enact these with props which they have created themselves.	Children will be able to create pieces of art work to communicate meaning using a wide range of media and materials.
Children will be able to perform and share their musical creations using a wide range of media.	Children will be able to write for different purposes and this writing can be read by themselves and others.
Children will be able to talk about and show their enthusiasm for stories and rhymes that they have experienced.	Children will be able to use mathematical language to solve problems within their everyday activities.
Children will be able to count confidently and have a deep understanding of the numbers to 10. They will be able to talk about the relationships between them and the patterns within those numbers.	Children will be able to name shapes within their everyday experiences. They will be able to recognised the properties of these shapes and how they can use them within their play for a purpose.
Children will be able to talk about the knowledge they have gained from experiences, such as visits and visitors in school.	Children will be able to use strategies that have been taught to help them to feel calm and cope with a range of situations they will experience.
Children will be able to manage personal needs independently and talk about how to look after their bodies.	Children will be able to solve problems within the outside environment, including forest play, which will develop resilience, physical confidence and an understanding of risk.
Children will have competent gross motor control.	Children will be able to talk about the local environment and community.
