

Data Outcomes 2018/19

The information in the table below gives information on the percentage of children within our school who achieved the expected standard within the statutory assessments for primary school children.

The National Average shows the average percentage from all children who undertook those particular assessments. The County Average shows the data for the children in Hampshire. This is included so that you can compare Hamble Primary School outcomes with the national and County averages.

	Hamble Primary School	County Average	National Average
EYFS GLD	81%	77%	72%
Y1 Phonics Screening Test	78%	83%	82%
